CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for March 17, 2004, to Consider Redesign Concept for C-Basin (Pixley Park) and the Exchange of Properties with GREM, Inc., to Allow the Relocation of C-Basin and Refer the Matter to the Planning Commission

MEETING DATE: February 18, 2004

PREPARED BY: Public Works Director

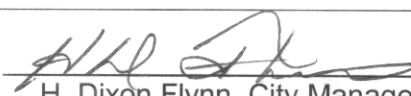

RECOMMENDED ACTION: That the City Council set a public hearing for March 17, 2004, to consider the redesign concept for C-Basin (Pixley Park) and the exchange of properties with GREM, Inc., to allow the relocation of C-Basin (Pixley Park) and refer the matter to the Planning Commission.

BACKGROUND INFORMATION: The present design concept and approximate 26-acre configuration for C-Basin was established by the Council on September 28, 1988. In addition to the recreation component, the park is required to store 131 acre-feet of storm drainage runoff. The Park, Recreation and Open Space Plan adopted by the Council on January 19, 1994, designates the site as a 43.7-acre major sports field complex for adult softball, soccer and tennis. The Plan identifies a need to acquire an additional 17.7 acres at this site. However, in subsequent action, the Council decided not to acquire additional vacant land to the east.

Recreation needs in the area have recently refocused upon development of an adult tournament softball complex. Due to the longer field dimensions and parking needs required for tournament play, the present site configuration does not lend itself to that type of use. The present site will accommodate only three softball fields. The proposed redesigned park/basin concept plan being recommended for Council approval will provide four softball fields with expanded parking and spectator areas. The storm drainage storage requirement can be met with either site configuration. The proposed concept plan was approved by the Parks and Recreation Commission at their December 2, 2003, meeting.

An exchange of property requested by GREM, Inc., would facilitate the proposed concept plan. The proposed exchange would provide a reconfigured City of Lodi park/basin site having essentially the same area as the current site but superior dimensions for development of the adult tournament softball complex. The existing property lines, acreage and ownership for the properties affected by the proposed exchange are shown on Exhibit A. The proposed property lines, acreage and ownership after the exchange are shown on Exhibit B. The property lines and acreage of the land to be exchanged are shown on Exhibit C. The slight differential in the land exchange results from a combination of City standard design criteria for Auto Mall Drive and fixed intersection locations at Beckman Road and Pixley Parkway.

APPROVED:

H. Dixon Flynn, City Manager

To facilitate the proposed land exchange process, GREM, Inc., at its expense and with direction and review by City staff, has provided the proposed park/basin concept plan. In addition, as part of the land exchange, GREM, Inc., will construct improvements, at its expense, at the new site and deliver to the City a rough-graded site that will be superior to the existing basin because the entire site will be graded. The following requirements have been agreed upon by GREM, Inc., and the related improvements are diagrammatically shown on Exhibit D:

1. Provide engineered improvement plans, specifications, construction cost estimates and a current geotechnical report for all required improvements, all in conformance with City of Lodi Public Improvement Design Standards.
2. Perform rough grading construction for the entire park/basin site to final design grades.
3. Construct basin inlet piping from east of Beckman Road to the new basin.
4. Construct basin outlet structure.
5. Construct perimeter fencing around the entire site.
6. Dedicate street and public utility easements on Auto Mall Drive.
7. Install full street frontage improvements (curb, gutter, sidewalk, driveways, utilities, street lighting and asphalt concrete pavement) in Auto Mall Drive.

GREM, Inc., has also agreed to perform the following services with cost reimbursement by the City from the Storm Drainage and Parks and Recreation Impact Mitigation Fee funds:

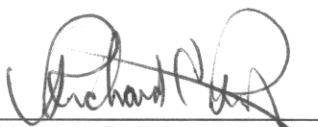

1. Prepare engineered plans, specifications, and construction cost estimates for the future storm drainage pump station and inlet structure to allow discharge from the basin to Cluff Avenue.
2. Prepare slope erosion protection, turf and irrigation plans, specifications and construction cost estimates for the entire Pixley Park site.
3. Construct a temporary inlet channel from Auto Mall Drive to the basin.

In addition to the City improvements described above, staff will discuss with the City Council the displacement of the model airplane club facilities at Pixley Park. With continued development of the adjacent property, this use is less viable at this location.

State law regarding disposition or acquisition of park land requires a finding as to General Plan conformity by the Planning Commission, which is scheduled for February 25, 2004.

Staff will return to Council at a later date for approval of the improvement agreement(s) covering the installation of the park site and other public improvements and appropriation of funds for any applicable reimbursements.

FUNDING: Not applicable.

The United States is to expand the 25-member Governing Council and hand it power on June 30 until elections can be held, according to Washington officials. Though the coalition would hand over power, the United States expects it to keep some 100,000 troops in Iraq for at least another two years.

NOTICE OF PETITION TO ADMINISTER ESTATE OF LOIS M. FIRKINS.

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of: LOIS M. FIRKINS.

A PETITION FOR PROBATE has been filed by: TERRY C. TOWLES in the Superior Court of California, County of: SAN JOAQUIN

THE PETITION FOR PROBATE requests that: TERRY C. TOWLES be appointed as personal representative to administer the estate of the decedent.

THE PETITION requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

THE PETITION requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held on March 2, 2004 at 8:30 AM, Dept. 34 address of court: same as noted above

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the deceased, you must file your claim with the court and mail a copy to the personal representative appointed by the court within four months from the date of first issuance of letters as provided in Probate Code section 9100. The time for filing claims will not expire before four months from the hearing date noticed above.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
